Beautiful custom-built, one-owner home that has been meticulously cared for and thoughtfully updated throughout at 916 Fox Hill Drive, in Fox Lake. From the moment you enter inside, you'll appreciate the impressive room sizes, quality craftsmanship, and timeless finishes including Pella windows and doors, abundant crown molding, and elegant architectural details. This home offers two spacious living areas, each with its own unique charm. The front living room features a corner fireplace, while the second living area is truly a showstopper with a cathedral ceiling, wood beams, crown molding, a fireplace, and a stunning wall of wood-cased Pella windows that flood the space with natural light. The kitchen is designed for both function and entertaining with generous granite counter space and newer Frigidaire Gallery stainless steel appliances, including double ovens. A second dining room and wet bar add to the home's entertaining appeal, along. The private primary suite is tucked at the back of the home and features two closets. The ensuite bathroom has been refreshed with newer tile and offers a whirlpool tub plus a separate shower. Two additional oversized bedrooms are located on the same side of the home, separated by a hall bath that has also been updated with newer floor and wall tile. The front bedroom features a charming bay-style window. On the
