Experience sophistication and timeless elegance in this stunning European/French Country-inspired custom home in Aberdeen Falls. A dramatic two-story domed foyer welcomes you with abundant natural light and sweeping sightlines to breathtaking backyard views. The formal dining room, anchored by illuminated built-ins, is ideal for hosting, while a distinctive rotunda creates seamless flow throughout the main living spaces. The updated gourmet kitchen is a chef's dream, appointed with Taj Mahal quartzite countertops, a Wolf range, Monogram double ovens, warming drawer, Bosch dishwasher, and paneled KitchenAid refrigerator, complemented by extensive custom cabinetry. A walk-in pantry and butler's pantry with additional refrigerator space enhance functionality, while a full bar with wine fridge and ice maker makes entertaining effortless. The kitchen opens to a vaulted, beamed living room with a cast stone fireplace and a wall of windows. The spacious primary suite features a cozy gas fireplace, sitting area, and private patio, along with a vaulted office with custom built-ins. The luxurious bath offers a coffee bar with refrigerator, soaking tub overlooking the backyard, dual vanities, and a generous walk-in closet. A guest suite is located on the main level, while upstairs includes two en-suite bedrooms and a game room with media built-
