4 Bedrooms | 3.5 Bathrooms | 4,231 Sqft

Built in 2023 and meticulously maintained, this exceptional 4-bedroom, 3.5-bath home sits on a spacious half-acre lot in Bixby. With a thoughtfully designed layout and high-end finishes throughout, this home offers style, comfort, and functionality. The main level features three bedrooms, including a luxurious primary suite, plus two expansive living areas filled with natural light from large windows throughout the home. The open-concept living and kitchen space is ideal for entertaining, showcasing white oak hardwood floors, granite countertops, an oversized island, double ovens, and a walk-through butler's pantry with second refrigerator space and custom shades. The primary suite includes an all-season closet with an additional smaller storage closet within it and direct access to a spacious utility room with abundant built-in cabinetry. Upstairs offers a large game room, flex room/dedicated office space, and an additional bedroom for added flexibility. Tons of built-in storage throughout ensures everything has its place. Additional highlights include a reverse osmosis water filtration system, extra-wide driveway, quick highway access, nice view with an adjacent vacant lot, and massive living space. Empty lot next door is also available for purchase and owned by the seller. This home truly shows better than new and offers space to play, garden, or create your
