\$465,000

4 Bedrooms | 3 Bathrooms | 3,190 Sqft

This well-designed 4-bedroom, 3-bath home offers a flexible layout with two bedrooms downstairs and two upstairs, plus a spacious game room that gives everyone room to spread out. The main level includes a formal dining space and a private primary suite with vaulted ceilings, double sinks, a jetted tub, and a separate shower. Recent updates make this one easy to step into and enjoy right away, including new interior paint, engineered hardwood flooring, a new dishwasher and microwave, and a new fence. The tankless water heater adds efficiency and convenience. Function meets practicality throughout. A 3-car tandem garage gives you extra storage or workspace, and the laundry room includes a sink and hanging bar that actually gets used. There's also walk-in attic access for the seasonal overflow. Located in a gated community loaded with amenities including a pool, splash pad, clubhouse, ponds, and park. You're just minutes from both the elementary and middle school, plus quick access to shopping and restaurants. Updated where it matters. Functionally laid out. In a location people actually want--Don't miss it! This single family home located at 5019 S 167th East Avenue, Tulsa, OK 74134 is currently listed for sale by Chinowth & Cohen, with an asking price of \$465,000. This property was built in 2006 and has 4 bedrooms and 3 full
