Looking for your oasis this summer? This is it! This beautifully maintained home offers the perfect blend of comfort, functionality, and standout outdoor living. Freshly painted and thoughtfully cared for, this home welcomes you with parquet flooring in the entry, flowing into the spacious living area with decorative carpet, cozy fireplace, and views of the backyard. Formal dining area is located near the entry, with a breakfast nook off the kitchen, ideal for both everyday living and entertaining. The kitchen is complete with granite countertops, stainless steel appliances, and ample amount of storage. A light-filled sunroom, fully temperature controlled, provides additional living space. A large bonus room offers flexibility for a game room, media space, or home office. The primary bedroom is grand in size with a private entrance to the sunroom. The primary ensuite boasts a large vanity with double sinks and extra countertop space, jetted tub with heat circulation, and a sizeable walk-in closet. Two more guest bedrooms are located on the south side of the home and share a bathroom with a separated vanity area for privacy. The outdoor experience is truly exceptional, designed for both relaxation and entertaining. The Gunite heated saltwater pool and spa includes a waterfall, multiple water features, and adjustable lighting. A custom natural gas fire pit creates the
