\$122,900

3 Bedrooms | 2 Bathrooms | 1,206 Sqft

Opportunity is knocking with this 3-bedroom, 2-bath home offering 1,206 square feet, a 2-car garage, and a fenced backyard. Priced significantly below comparable sales to allow room for updating and repairs, this property presents an excellent opportunity for investors, flippers, or buyers looking to build equity with improvements. The functional layout includes a primary bedroom with private ensuite bath, two additional bedrooms, and a second full bathroom featuring new fixtures. The living space flows comfortably into the kitchen and dining area, creating a practical floor plan with great potential for modernization and value enhancement. Major updates already completed include a brand new roof installed in May 2025, offering peace of mind for years to come. The property also features an in-ground storm shelter, an added benefit for Oklahoma weather. Outside, the fenced backyard provides space for pets, play, or future outdoor enhancements. With solid fundamentals, a desirable layout, and key improvements already in place, this home is positioned for a quick sale. Being sold AS IS, this is a prime opportunity to renovate and resell or update and hold as a rental. Don't miss your chance to secure a property priced to move in today's market. This single family home located at 5005 S By Pass Terrace, Oklahoma City, OK 73119 is currently
