**8 Bedrooms | 4 Bathrooms | 4,020 Sqft**

Situated on 2 acres, this spacious rustic-inspired home offers room to gather, entertain, and grow. A dramatic floor-to-ceiling stone fireplace centered between a sweeping double staircase creates a stunning first impression the moment you walk through the front door. The open-concept kitchen and living area features heated concrete floors, stainless steel appliances, custom granite countertops, and a large walk-in pantry off the downstairs utility room. With 8 bedrooms and 4 full bathrooms, this home offers flexibility for large families, guests, hobbies, or working from home. The primary suite includes a private sitting area, separate walk-in closets, whirlpool tub, oversized walk-in shower, and an additional flex room ideal for a nursery or office. Downstairs office/study can also function as an 8th bedroom. Outdoor amenities include a saltwater pool with waterfall, outdoor kitchen area, basketball court, firepit, storm shelter, and an approximately 50x100 insulated shop with electric, heat, and concrete floors. Seller offering \$5,000 toward pool liner replacement with acceptable offer. Enjoy the space and privacy of country-style living while still being conveniently located near schools, shopping, dining, and quick highway access for an easy commute. A rare opportunity to enjoy space, comfort, and versatility all in one property. This single family home
