4 Bedrooms | 3.5 Bathrooms | 3,123 Sqft

This spacious, versatile home has everything on your wish list: two living areas, formal dining, a breakfast room, and a chef-friendly kitchen with abundant cabinetry and pull-out drawers. The upstairs bonus room offers flexibility as a fourth bedroom and features extensive built-in cabinets. The oversized primary suite is a true retreat, complete with its own fireplace, dual closets, dual vanity sinks, a sitting area, and a stunning sunken soaking tub. The impressive third-car heated garage features built-in shelves, cabinets, and a half bath, making it perfectly suited as a man cave or workshop. Major updates bring peace of mind: a new roof (2024), freshly painted exterior, and brand-new flooring throughout all bedrooms and bathrooms (2026). Professionally landscaped and polished from the curb to the backyard, this home is as beautiful outside as it is inside. Homes with this much space, style, and character don't stay on the market long. Schedule your showing today!
