Location, style, and value all come together perfectly in this wonderful one-level townhouse/duplex. The open concept living/dining areas make entertaining a breeze but the space also maintains a warm and comfortable feel. The breakfast bar is the perfect place for school projects or grabbing a bowl of cereal in the morning. The two spacious bedrooms are at either end of a hall allowing for plenty of privacy. The utility area is conveniently located in the hall so Saturday chores are a breeze. If you like the outdoors, the backyard offers a quiet escape with a vine-covered gazebo and a wonderful out-building that feels more like a second living space. A new roof, coming within weeks, and a great HOA make for peace of mind. Come be a part of a thriving little community that feels like a vacation home. Covered parking, right outside the front door also allows for a good sense of security and safety from Oklahoma storms and a stunning tree in the front yard makes for an incredible shade canopy in the summer heat.
