Looking for a peaceful 1+ acre in the country, but just 10 minutes from shopping and dining in Edmond/NW OKC? Then this home with spacious living, thoughtful upgrades, and exceptional functionality is the one for you! High ceilings and wood-look tile flooring throughout the main living areas create an open and inviting atmosphere. The kitchen is designed for both everyday living and entertaining, featuring quartz countertops, a striking deep green tile backsplash, updated light fixtures, built-in stainless-steel appliances, reverse osmosis system at the kitchen sink, and a gas cooktop. Across from the kitchen, the dining area provides a unique gathering space with its own gas fireplace, while the living room also showcases a second corner gas fireplace. The private primary suite features 11-foot ceilings and a luxurious bathroom complete with a stand-alone soaking tub, walk-in shower with bench seating and multiple shower heads, dual vanities and an impressive walk-in closet. For added convenience, the primary closet connects directly to the laundry room to make doing laundry a breeze! Additional features include a tankless water heater, whole-home generator, water softener, oversized garage with epoxy flooring and ample space for full-size truck parking, fully fenced yard with 5-foot fencing, extended concrete patio, 12'x24' storage building, pre-
