4 Bedrooms | 3.5 Bathrooms | 3,796 Sqft

Nestled on a scenic 1.76-acre lot, this beautifully designed one level home offers peaceful views, mature landscaping, and a greenbelt backdrop with a water view. Inside, you'll find 4 bedrooms, 3.1 baths, a 3-car garage, dedicated study, game room, mud room, and thoughtfully designed living spaces throughout. The chef's kitchen is equipped with double ovens, a farmhouse sink, 5-burner gas cooktop, and an oversized walk-in pantry. The spacious game room features a wet bar and opens seamlessly to the large covered back patio, creating an ideal space for entertaining and outdoor living. Built with energy efficiency in mind, this home is certified through the National Green Building Standard, offering potential savings on utilities, enhanced comfort, improved durability, and environmentally conscious construction.
