Welcome to 1832 Camden Way! This beautiful home checks all the boxes: style, space, and location. Featuring three spacious bedrooms plus a dedicated office, this home offers the flexibility today's lifestyle demands. Step inside to find beautiful wood flooring throughout the main living area. The heart of the home is a stunning two-sided brick fireplace, creating a warm, architectural focal point that connects the main living room to a versatile flex space. Whether you envision a cozy sitting nook or 2nd living area, this additional living space offers endless possibilities. Custom built-in shelving adds both style and functionality to the living space, offering the perfect place to showcase decor, books, and personal touches. The kitchen is thoughtfully designed with ample cabinetry and generous storage, making everyday living and entertaining effortless. Enjoy the benefits of community amenities, including a pool and recreation facility, all while being conveniently located just off Broadway Extension (I-235) with easy access to shopping, dining, and all that Edmond has to offer.
