Completely Remodeled & Full of Opportunity in Muskogee! This stunning home has been taken down to the studs and beautifully rebuilt offering the charm and character of a classic 1940s home with the confidence and comfort of NEW everything. Move-in ready and designed for today's lifestyle, this property blends timeless appeal with modern updates throughout. One of the standout features is the versatile 1 bedroom apartment that can be separated from the main home or opened up for additional living space. Perfect for income producing potential, multigenerational living, guest quarters, extended family, or a private home office setup. The main home offers an incredibly flexible layout featuring 3 living areas total 2 living rooms in the main home (one up and one down) plus an additional private living space in the apartment, creating room for entertaining, relaxing, working from home, or multigenerational living. Outside, you'll find a shop with electric, giving you extra space for hobbies, storage, projects, or workspace needs. If you've been looking for a home with character, flexibility, and endless possibilities, this one checks all the boxes. Better than new and ready for its next owners!
