2 Bedrooms | 2 Bathrooms | 1,632 Sqft

Tucked beneath the trees on 1.35 acres, 71 County Road 3009 feels like the kind of place that knows how to slow life down without putting you too far from town. Recently remodeled and refreshed, this 2 bedroom, 2 bathroom home offers 1,621 (CH) square feet of comfortable living with a layout built for gathering. The oversized living area gives everyone room to spread out, while the kitchen and dining combination keeps conversation flowing long after dinner is done. A wood burning stove adds just the right amount of cabin charm, making chilly evenings feel a little cozier and coffee mornings a little slower. Surrounded by a wooded setting with breathing room to enjoy, this country gal balances privacy and convenience better than most.
