Enjoy views of Keystone Lake without the waterfront price! Welcome home to this spacious 3-bedroom, 2.5-bath property situated on two generously sized lots with plenty of room to enjoy both indoor and outdoor living. This well-maintained home features a 2-car garage, an additional carport, two storage sheds, and a large lawn perfect for entertaining, gardening, or simply relaxing. Inside, you'll additionally find a spacious laundry room, a convenient mudroom, and a dedicated office nook ideal for working from home or staying organized. The primary suite offers a large walk-in closet, providing abundant storage. Step outside to the expansive covered back porch, the perfect place to unwind and enjoy the peaceful surroundings. As an added bonus, you'll even catch views of Keystone Lake from the property, offering a glimpse of the water just beyond the neighboring homes. The roof on both the home and one of the storage sheds was replaced less than a year ago, providing added value and peace of mind. Whether you're looking for extra space, functional amenities, or a relaxing setting near the lake, this property has so much to offer
