3 Bedrooms | 1.5 Bathrooms | 1,728 Sqft

Investment Opportunity! Located at 708 S. 29th Street in Muskogee, this 3-bedroom, 1.5-bath home offers plenty of living space and long-term potential. This property will require significant repairs and updates, but the size of the home and large lot create a strong opportunity for the right buyer to add value. With renovation and vision, this property could be transformed into a desirable residence or income-producing rental. Properties with similar square footage in the area have sold for significantly more once updated, making this a great opportunity for investors, flippers, or buyers looking to build equity through renovation. The large lot offers additional possibilities for outdoor improvements, expansion, or long-term investment potential. Please call or text Amber Hamilton @ 918-398-4446 for more information. Offered at \$104,500 and priced to reflect the work needed. Property to be sold as-is.
