Situated on a park like, 2 acres in South Tulsa, this home is an absolutely incredible opportunity! The open and generous floor plan offers abundant space on the main level and 2nd floor, and approximately 1800 feet of unfinished walk-out basement space, with so many possibilities! The gorgeous entryway features soaring ceilings and a beautiful railing. The vaulted wood ceilings in the primary suite are stunning! The generous main living room features a built-in bar. The private executive office has built-in bookcases and french doors leading to the front courtyard, perfect for a dedicated entrance for clients. Upstairs you will find an amazing walkway leading to 4 bedrooms and 3 bathrooms. With 3 garages total, the main living 2 car is perfect for everyday parking and the lower garage is ideal for a 3rd car, golf cart, lawn equipment or a workshop! Geothermal heat and air units. Due to unfinished drywall work etc., home able to be sold to cash buyers only.
