Looking for a swanky new townhouse in the heart of our great city? Welcome to 128 at Robinson 28, a boutique collection of four thoughtfully designed townhomes in Oklahoma City's historic Jefferson Park, positioned just steps from the energy of Paseo Arts District, the revitalized 23rd Street Corridor, our medical and civic centers, as well as some of the best dining our city has to offer. 128 offers a floor plan unmatched in style and convenience. The flexible floor plan, with half bath down, flows effortlessly with function and convenience in mind. 128 features a private street-facing entry, enclosed outdoor space, and carefully engineered separation between the neighboring unit, including an independent framing system with air gaps to minimize sound transmission. The interior is defined by 10-foot ceilings, abundant natural light, and a clean, efficient layout with no wasted space. The kitchen is fully custom with honed granite surfaces, integrated appliances, and induction cooking, while the living area opens to a private yard. Upstairs, well-appointed bedroom suites provide flexibility and comfort, with thoughtful storage and refined finishes throughout. At Robinson 28, design and construction are aligned to create a lock-and-leave residence that is both highly functional and quietly sophisticated. Architecturally, Robinson 28 respects its historic
