Meet the girl next door who has it all together. She's polished, organized, effortlessly stylish, and somehow still manages to be warm and inviting. Tucked away on Clearview Drive, this 3-bedroom, 2.5-bath beauty has been meticulously cared for and dressed to impress. Her custom built-ins fill nearly every room, proving she's as practical as she is pretty. Granite surfaces sparkle throughout, while luxurious wool carpet adds a little softness underfoot. But let's talk about her best feature; the primary suite. It's the kind of retreat that makes you want to hit snooze one more time, complete with a closet so extravagant it's fitted with its own island. She's prepared for life's surprises too, with a storm shelter ready when Oklahoma decides to show off. Out back, she's traded drama for tranquility. Her manicured yard, peaceful sitting garden, and climate-controlled shed create the perfect setting for quiet mornings, afternoon hobbies, or a glass of wine at sunset. She's sophisticated without being stuffy, elegant without trying too hard, and she's looking for someone who appreciates the finer details. Swipe right on this Clearview charmer before someone else beats you to it.
