Originally designed by beloved Tulsa architect John Brooks Walton, this luxury townhome is nestled in the heart of Midtown in a small exclusive community. Floor-to-ceiling windows on the main level fill the home with natural light and offer beautiful views of the private courtyard garden from multiple living spaces. The dramatic family room features soaring ceilings and is complemented by a cozy wet bar with separate seating area. A full bath on the main level adds flexibility for visitors. The home offers two dining areas and a charming kitchen. The downstairs utility room presents an opportunity for kitchen expansion, with additional utility connections already in place upstairs. Upstairs, the gracious primary suite features a fireplace, private balcony, and a peaceful retreat-like atmosphere. Two additional bedrooms, one with its own balcony, share a well-appointed hall bath. A spacious two-car garage provides abundant storage.
