4 Bedrooms | 4 Bathrooms | 3,517 Sqft

Some homes chase trends. Others simply wait for the right person to make them their own. Tucked into one of Bartlesville's most established neighborhoods, this Colonial Estates home offers 4 bedrooms, 4 full bathrooms, and the kind of space that's becoming harder to find. With both formal and informal living and dining areas, there's room for holiday gatherings, everyday living, and everything in between. The fourth bedroom offers endless possibilities as private guest quarters, a game room, or a secluded retreat. And yes... there's even a dedicated hot tub room. Whether you keep it as your own private spa retreat or reimagine the space as a home gym, hobby room, sunroom, or something entirely your own, it's a feature you don't see every day. While much of the home reflects its original era, the location, layout, and potential make this an opportunity to create something truly special.
