Welcome to 6641 NW 116th St in Northwest OKC! This beautiful one-owner home offers a spacious and versatile floor plan with 4 bedrooms, 3 and a half baths, and plenty of room for comfortable living and entertaining. The main level features a welcoming den with an electric remote controlled fireplace, formal living room, formal dining room, and an eat-in kitchen. An enclosed 254 sqft sunroom with heat and air (which is not included in the square footage) provides additional year-round living space and is perfect for relaxing, entertaining, or enjoying your morning coffee. The primary suite is conveniently located downstairs with an updated ensuite, while upstairs features 3 additional bedrooms, 2 full baths, and a spacious bonus room with built-in adjustable oak shelving and a large balcony. This bonus room can serve as a media room, game room, office, or another living area. Upstairs, you will also find a large storage/filing room with numerous built-in shelving units and a walk in attic for even more storage. An above ground 127 sqft safe room with heat and air is located in the garage and provides added peace of mind. The safe room can be conveniently hidden by a pull down garage door. This amazing home boasts a new roof with Class 4 shingles, new carpet, new interior and exterior paint, and new fence and landscaping. Lovingly maintained by
