Love this floor plan! As one of the 2025 top-selling build designs, this home offers 3 bedrooms, 2.5 baths, and a private study with French doors. The out of the ordinary split plan allows for a secluded primary suite for maximum privacy that features a spa-like bath with dual sinks and a luxurious shower. The open-concept layout, where the stylish kitchen seamlessly overlooks a spacious dining area allows for dinners at the table or at the huge island and makes plenty of room for larger gatherings. The inviting living room is accented with wood beams and a gas-log brick fireplace, adding warmth and character to the space. For additional functionality, the home includes a laundry room nearly in the center of the home adding convenience to your everyday tasks. A covered patio with extended concrete and fully fenced backyard with a 6-foot cedar fence gives a great back yard space. This wonderful community is in a top-rated school district and offers convenience to shopping, restaurants & schools all nestled between Hwy 75 and Hwy 169.
