3 Bedrooms | 3 Bathrooms | 2,334 Sqft

This home offers 3 main-level bedrooms with a flexible upstairs room and full bathroom that could easily serve as a 4th bedroom, game room, or flex space. Situated on over a half acre lot, the property is completely updated and move-in ready with premium features from top to bottom. Inside, beautiful hardwood floors flow throughout the main level-recently extended into all bedrooms and freshly re-stained to match seamlessly across the home. Large wood-trimmed windows in the living room and kitchen flood the space with natural light. The main living area features vaulted ceilings, striking wood beams, custom built-ins, and a cozy fireplace that opens right to the kitchen, which boasts granite countertops and a custom built-in coffee bar cabinet. Just off the living room, a dedicated pocket office with doors offers the perfect private workspace. Additional built-in cabinets were also added in the guest bathroom, and the primary suite stands out with new tile flooring in the bathroom and walk-in closet. Step outside to an entertainer's paradise featuring an extended covered patio-complete with a roof extension and additional concrete-leading to a built-in outdoor kitchen with a gas grill and refrigerator, a fire pit, professional front and back landscaping, and a fully fenced yard. Complete with a brand-new 2026 roof, newer hot water heater, and
