She's practical, polished, and has a few tricks up her sleeve! This 3-bedroom, 2.5-bath home offers comfortable living with a bonus room tucked just off the garage-perfect for an office, hobby room, home gym, or whatever life needs next. Out back, the heated and cooled workshop/shed is ready for projects, storage, or a little escape of your own. And she's not just about good looks-Anderson windows throughout and a Class 4 roof add some serious substance to the package. 1233 Arbor Dr. is the kind of gal who knows how to be comfortable, useful, and just a little unexpected.
