6 Bedrooms | 3.5 Bathrooms | 3,681 Sqft

This exceptional 3,681 sqft (CH) home offers a rare combination of space, privacy, modern updates, and resort-style outdoor living. Located at the end of a quiet street, the property provides a private setting while featuring 6 bedrooms, 3.5 bathrooms, and a 3 car garage, making it ideal for growing families, multi-generational households, and those who love to entertain. The home is enhanced by several improvements, including a new roof and gutters installed in June 2026, newer HVAC systems, and an updated water heater, providing buyers confidence in the property's condition and reducing concerns about future maintenance expenses. Inside, discover this home's functional layout, highlighted by granite countertops, double ovens, oversized closets, abundant storage, and multiple gathering spaces. Take a peek at the 8 person storm shelter for those Oklahoma storms. A spacious game room serves as a standout entertainment area, featuring a custom wood wet bar complete with a kegerator, built-in shelving, and ample space for hosting. The backyard is an Oasis designed for year-round enjoyment, the outdoor living space features a custom heated pool with a tanning ledge, hot tub, expansive patio, and a fully equipped outdoor kitchen with a Blaze grill, griddle, Hasty-Bake smoker, custom turkey fryer, and granite countertops.
