Welcome to a private lakefront retreat. This custom-built home sits on 12+ acres of beautiful lakefront property on Keystone Lake. Built into the hillside, this 2,255 square foot home (AP) is a unique find for lakefront living and offers a rare blend of secluded natural beauty and modern comfort. The property features a main house, detached studio cabin living space, and extra large garage with workspace. The main house is 2 bedrooms, 2.5 baths, an open floor plan, and a wrap-around patio with active goldfish pond. The kitchen is brightened by a vaulted skylight, featuring bar seating and a massive walk-in pantry. The primary bedroom includes a full bath, a generous walk-in closet, and a dedicated vanity area. The large walk-in laundry and storage closets provide ample room for all your belongings. The main house includes a 2-car garage with workshop space and an upstairs carpeted bonus suite with a 1/2 bath, a walk-in closet, and a private balcony. A detached studio cabin includes a full bath, a functional kitchenette, cozy loft area, 2-car carport, and lake-view deck. The large 18'x24' attached garage with storage and work space includes a 1988 John Deere 650 tractor with implements that convey with the property. A private boat dock is included with recently updated floats, HydroHoist system hardware, repainted railings, and a 16' Jon boat for the future property
