Welcome home to 29160 E 28th S, Broken Arrow, OK 74014. Built in 2000, it sits on 3 beautiful acres lined with mature trees. This single-family residence offers a perfect balance of classic design and a functional layout, providing a sturdy foundation for your next chapter. With three bedrooms, all with walk-in closets, this home is designed to accommodate your needs, whether you want a peaceful sleep sanctuary, a creative studio, or a dedicated home office. Each room provides a versatile blank canvas for you to infuse with your own unique flair and personality. There is a large game room on the 2nd floor that has a half bath, great closet space, and window alcoves with seating. New fixtures throughout the house, new interior paint, and updated appliances. Life here includes a new 30x60 metal shop with 14ft stem walls, concrete floor, fully insulated, and 2 12x10 overhead doors for pull-through convenience. The inviting backyard offers a 36x18 in-ground pool that just received a new liner, a pergola, and a new gazebo that is prewired with 220V so you can add your own hot tub to enjoy late-night stargazing. This inviting residence is ready to welcome you, so reach out today to schedule your private tour and see how well it fits your lifestyle.
