This home is the full package in Mustang Park; classic design thoughtfully modern updates and undeniable style. From the moment you arrive, you'll love the spacious covered porches and the fresh on-trend color palette complemented by designer light fixtures that add just the right amount of cool sophistication. Step inside to a show-stopping living room where soaring vaulted ceilings and oversized picture windows flood the space with natural light. A sleek gas fireplace grounds the room, offering both warmth and a stunning focal point. Durable tile flooring flows seamlessly through the main living areas, leading to the inviting outdoor patio. The kitchen is a dream for both everyday living and entertaining; complete with under-cabinet lighting, stainless steel built-in appliances, a center island, and a dedicated pantry for all your storage needs. The primary suite is privately tucked away and feels like a retreat, boasting pristine cabinetry, solid surface countertops, dual vanities, and a luxurious freestanding tub that takes center stage in the spa-like bath. Generously sized secondary bedrooms provide plenty of space for family or guests. Practical highlights include a built-in mud bench, powder bath, sprinkler system, and a tankless water heater for added efficiency. The outdoor living space is designed for relaxation and gatherings.
