\$434,900

4 Bedrooms | 2 Bathrooms | 1,970 Sqft

This stunning new home offers just under 2,000 sq. ft. of beautifully designed living space, blending style, function, and comfort. From the moment you step inside, you'll notice the attention to detail and the on-trend finishes that set this property apart. At the heart of the home, the open-concept kitchen showcases a Taj Mahal quartzite island, abundant storage solutions, and custom touches that make everyday living effortless. Carefully curated lighting design and tile selections add a layer of sophistication and timeless beauty throughout the home. Warm hardwood floors flow seamlessly through the main living areas, while energy-efficient features such as spray foam insulation and a tankless hot water heater provide modern comfort and value. With 3 bedrooms, 2 full baths, and a 3-car garage, this home is as functional as it is stylish. The primary suite offers a private retreat, while secondary bedrooms are spacious and versatile. Nestled in the highly desirable Bixby West School District, this property offers not only a beautiful home but also a coveted location. Every detail has been thoughtfully chosen to create a space that is welcoming, modern, and built to impress. This single family home located at 2126 E 138th Street S, Bixby, OK 74008 is currently listed for sale by Chinowth & Cohen, with an asking price of \$434,900. This property was built in
