Modern Eco-Luxury Smart Home with Solar, Tesla Powerwall, Pool & Resort-Style Outdoor Living. Built in 2023, this modern estate combines contemporary elegance, energy efficiency, and future-ready technology. A striking exterior and lush evergreen landscaping welcome you inside, where soaring ceilings and floor-to-ceiling windows fill the home with light. The main level offers a designer kitchen with Thermador appliances, prep pantry, and reverse osmosis system-perfect for both everyday living and entertaining. Flexible living spaces include 5 bedrooms (all with ensuite baths + walk-in closets), 6 bathrooms, office, gym, enclosed sunroom, theater with wet bar, game room, hobby room, and dual laundries. A future elevator shaft and storm shelter add comfort and peace of mind. Step outdoors to a private resort retreat: sleek pool with spa, shaded pergolas, outdoor kitchen, covered patios (including a private patio off the primary suite), mature oak trees, raised garden beds, fruit trees, and drip irrigation. Smart features include rooftop solar panels, Tesla Powerwall, whole-home audio, integrated security with surveillance, motorized shades, wall iPorts, and EV-ready outlets in the oversized epoxy-finished 4-car garage. Located in the award-winning Bixby School District, this property blends sustainability, innovation, and luxury into one lifestyle.
