Welcome to a home that's more than a house-it's a lifestyle. Set on just over 2 acres at the Oaks Country Club, this retreat offers peace and privacy while keeping you minutes from Tulsa Hills and Highway 75. Bronze sculptures-an elk, a mama and baby bear, and a boy fishing-dot the property, adding character to this one-of-a-kind setting. The home itself blends stone masonry and lodge-like warmth. The great room, anchored by a wood-burning fireplace and wall of windows, flows into a chef's kitchen with gas cooktop, large island, and eating area. A prep pantry, wet bar, and formal dining room create seamless entertaining space. Both the formal living room and primary suite feature gas log fireplaces, and oversized bedrooms, each with a private ensuite, give everyone space and privacy. Downstairs also includes an office and a utility room that doubles as a prep kitchen. Upstairs, a comfortable hangout with built-in desks provides space to work or relax. Reclaimed pine floors bring warmth throughout both levels. Step outside to find not just one garage but two-an attached two-car plus a detached three-car with finished guest quarters above that could have multiple uses. Perfect as a hangout, guest suite, or rental income (furniture included). Two additional sheds offer storage for gardening tools and outdoor toys. Enjoy mornings on the screened
